[#Bharat](#) ke problems alag hain... Bharat ke solutions bhi alag hone
chaahiye [Bharat Post #1]

'Bharat – Reminiscing the Ethos' was the theme of Annual Entrepreneurs
Summit of IIT Roorkee for the year 2023.

It was a grand privilege to inaugurate the [#Summit](#) and then answer
audience questions in the Ask-Me-Anything session.

It was hard to believe that the entire Annual Entrepreneurs Summit was
conceptualized & executed by the students, with the students, for the
students.

REGISTRATION PROCESS

You can secure your spot in the startup expo by submitting the required payment to E-cell before 20 January 2024.

Fill out the official Google Form, providing comprehensive details about your startup and confirming your payment details.

Startups are required to submit their pitch deck via mail to esummit@iitr.ac.in with cc lakshya_s@mt.iitr.ac.in. This will allow our panel of esteemed Venture Capitalists to review the startup in detail before coming to campus.
